Why did I get this notice?

This is NOT a decision on your eligibility for Unemployment Insurance Benefits. This notice tells you what employment and wage information we have on file for you in the State of New York. Please review this information to make sure it is correct, because your weekly benefit rate is based on this information.

Our records show that you meet the earnings requirement to qualify for Unemployment Insurance Benefits. If you meet all other requirements and are approved, you will receive the weekly benefit rate in the box above. If you are not approved, you will receive a separate written notice to tell you why.
